Professional Summary

Enthusiastic fresher committed to continuous learning and professional development. Currently enrolled in the Sigma 6.0 MERN Stack course to build a strong technical foundation. Looking forward to starting my career in a challenging environment that fosters growth and innovation.

Technical Skills

Frontend: HTML5, CSS3, JavaScript, React.js, Tailwind CSS, Bootstrap

Tools: Git, GitHub, VS Code

Concepts: Responsive Web Design, Debugging, Problem Solving

Projects

Hotel Management Project

Developed a comprehensive Hotel Management System that allows hotel staff to manage room bookings, customer check-in/check-out, billing, and room availability in real-time. The system was designed to streamline operations and reduce manual errors.

Portfolio Website

Developed a fully responsive personal portfolio using HTML, CSS, and JavaScript to showcase frontend projects. Implemented smooth scroll, section-based navigation, and hosted it on GitHub Pages.

Calculator

Created a browser-based calculator with JavaScript, performing basic arithmetic operations. Utilized CSS Grid for layout and added custom error handling for invalid inputs.

Education

Class 10th (SSC)

– SBPV Junnar, Maharashtra State Board – 2018 – 82.62%

Class 12th (HSC)

– SSC, Junnar, Maharashtra State Board – 2020 – 52.62%

Bachelor of Business Administration in Computer Application

– SSC, Junnar, Pune University – 2024 – CGPA: 7.23

Work Experience

Web Developer Intern

CodSoft - Virtual | April 2025 (1 Month)
Completed three projects using HTML, CSS, and JavaScript as part of the internship.

Certifications & Learning

Full-Stack Web Development (MERN Stack) - Sigma 6.0 by Shraddha Khapra (In Progress, Expected Completion: Aug 2025)
